CORPORATE VIP MEMBERSHIP

VOLUME DISCOUNTS | NO MINIMUM ORDER | COMPLIMENTARY CUSTOMIZATION | DEDICATED CUSTOMER SERVICE

ABOUT

Our Corporate VIP Membership was created for discerning businesses requiring high-quality gifts throughout the year and therefore seeking volume discounts with no minimum order. Featuring complimentary customization, rapid turnaround, and dedicated customer service, it's the perfect solution for all your corporate gift-giving needs.

COMPLIMENTARY CUSTOMIZATION

The ability to add customization to our already exceptional products is part of what sets zChocolat apart. The following gift services are available free of charge and with no minimum order for all of our boxed chocolates:

- Corporate logo displayed on the box lid
- Corporate logo printed on the greeting card
- Personalized greeting card message
- Recipient's initials stamped in wax seal securing the chocolates
- Recipient's name laser-engraved on front of box.

VOLUME DISCOUNTS

Customer appreciation is at the heart of our Corporate VIP membership. Rather than applying benefits based on the size of a single order, the discount rates are cumulative, taking into consideration your historical orders as a Corporate VIP member to calculate your current reduction. For example, if you have previously purchased 50 gifts and now wish to send a single gift, we will apply a 20% volume discount to that single gift. The following cumulative discount rates are available on all online catalog purchases and gift services (with the exception of our Party Favors collection which is already discounted).

- 10% from 1 to 24 gifts
- 15% from 25 to 49 gifts
- 20% from 50 to 99 gifts
- 30% beyond 99 gifts

COMPLIMENTARY SAMPLE

Because we know that corporate gifts act as an extension of your company image, we understand how important it is to have confidence in the products you select. Upon purchasing a Corporate VIP Membership, we will express-ship you a complimentary, fully-customized sample based on your budget and packaging preferences.

DEDICATED CUSTOMER SERVICE

Our commitment to your success goes beyond providing luxury chocolates and impeccable packaging to include industry-leading customer service. Your personal account manager is a full-time gifting concierge, eager to assist you with every aspect of the process, including helping with the customization of your order, providing samples, placing orders online and via our [Excel Order Form](#) (for orders with more than 5 gift recipients), contacting gift recipients when necessary, and providing order tracking reports and delivery statuses.

PRICING

Our Corporate VIP membership is available for an annual fee of USD 169.31

MEMBERSHIP RENEWAL

Each Corporate VIP membership is valid for one year from date of purchase. While we hope to be your go-to source for quality gifts for many years to come, we will never automatically renew your subscription or otherwise compromise your trust. To simplify the renewal process, a reminder email is sent 30 days prior to the termination date of the membership inviting you to renew online. By renewing no later than 30 days after the termination date, you are able to maintain your cumulative totals and will continue to receive discounted rates based on your multi-year order history. All membership renewals also receive a fully customized sample at no extra charge.

About Z

www.zchocolat.com

“Making the finest French chocolates was only the beginning; **IT WOULD BE IMPERATIVE TO DISTINGUISH THEMSELVES WITH INSPIRING packaging and customer service excellence**”.

In November 1999, a husband and wife team from Aix-en-Provence, France set out to develop a brand of extraordinary chocolates unlike anything else currently on the market. From the beginning, all-natural high-quality ingredients, impeccable flavors, and uncompromising standards were top priorities, leading them to seek out master artisan and World Champion Chocolatier Pascal Caffet to help create a line of gourmet chocolates that quickly earned the respect of chocolate lovers around the globe.

Making the finest French chocolates available was only the beginning, though. A flair for sophisticated packaging and an emphasis on product customization has helped zChocolat earn the devotion of over 180,000 customers worldwide and established it among a select group of ultra-luxury brands available in over two hundred countries.

Despite its impressive growth, zChocolat has consistently maintained its commitment to both quality and customer service. All logistics and customer service continue to be executed by zChocolat employees located where it all began, in the South of France. The main company offices are located in downtown Aix-en-Provence, France (with a satellite office in Ojai, California, USA), and zChocolat now operates its own 15,000 square-foot logistics center in nearby Forcalquier, France for storage and daily order fulfillment. This site is equipped with state-of-the-art industrial laser and printing technology, facilitating on-demand customization while still allowing same-day shipping.

As the culminating member of the alphabet and the numerical representation for the infinite range of whole numbers, the letter Z has always been a fitting symbol for a company committed to pushing the boundaries of conventional chocolates. From the sweet-salty combination of caramel and hazelnuts in the signature recipe that started it all, to the long list of cutting-edge confections regularly being added to their catalogue, zChocolat delivers what no other brand can—chocolate perfection with pure French savoir-faire.

We offer worldwide express delivery to 244 destinations via DHL Express. Refrigerated shipping is included to guarantee freshness upon delivery.

We simplify the process of sending multiple gifts with our convenient, pre-formatted Excel Order Form.

No need to make a follow-up call to track the status of an order. Real-time delivery updates are provided via email and through an online interface.

Invoices are never included in packages, so the cost of your gift will not be inadvertently disclosed.
